

Digestive Health MATTERS

Introducing **GIThrive®** the first all-in-one digital gut health program.

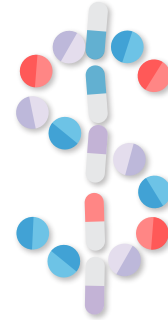

74% of Americans have ongoing digestive trouble¹

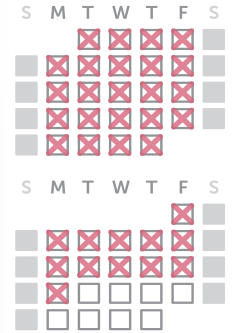

70 million have a chronic GI condition. 2x the number with diabetes²

GI Claims	\$136B
Heart Disease	\$113B
Trauma	\$103B
Mental Health	\$99B

Annual cost of digestive disease is **\$136 billion**³

Rx drugs for **ONE PERSON** with digestive disease can run up to **\$70K/yr**⁴

Absenteeism for gut trouble can hit **35 days/yr**⁵

No one ELSE is addressing this epidemic

GIThrive® simplifies digestive health by bringing together, in one place, everything to manage digestive health.

Smarter Meds Program

Behavior-Changing Courses
